REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Sedgefield Middle School serves over 800 students in grades six through eight. We strive to provide a rigorous curriculum within a safe learning environment to meet the needs of all students. The core curriculum emphasizes English/Language arts, Mathematics, Social Studies, and Science. Nearly 90% of participating students passed end-of-course exams in Algebra I and English I. Eighth grade students also have the opportunity to earn a high school credit in Keyboarding and Computer Applications. In addition to our core curriculum, students also have the opportunity to become actively involved in other areas such as Physical Education, Health, Art, Spanish, Band, Chorus, Career Technology, and Computer Literacy.

Sedgefield Middle School teachers utilize inviting and engaging teaching strategies that encourage students to write across our standards-based curriculum. Our teachers have been and continue to be involved in the Teacher Quality Research Grant through the State Department of Education and in the Making Middle Grades Work (MMGW) school-improvement initiative.

Students receive extra-help opportunities in a computer-lab setting. Tutorials in all subject areas are available for students. The students are served in these tutorials based on their scores from Measures of Academic Progress (MAP), which is a computer-based assessment tool.

Sedgefield Middle students are encouraged to participate in activities and clubs such as Junior Beta Club, Student Council, service-learning activities, Drama Club, Shark News, and Yearbook. Academic-challenge opportunities for students include Quest Quiz Bowl and the Post and Courier Challenge, while those musically inclined may choose to vie for selection in All-County Band or All-County Chorus.

Students, teachers, staff members, parents, and community members work diligently as a team to achieve academic and character-based goals. Sedgefield Middle School students, teachers, and staff members are reminded daily of our motto, and we will continue to "Go for the GOLD."
